

CPA Quarterly Meeting – December 18th
Denver Museum of Nature & Science

Agenda:

1. Annual Appeal – Are we OK with the appeal letter... any concerns?
2. Zoo Gasification & South Façade Aesthetic.
 - a. See CPA article on home page describing process, public notice, and City Council Hearing
 - b. Designs/ideas to be presented for public comment on CPA web site Friday
3. Future CPA Direction
 - a. How do we get better at getting information prior to PN about all issues that may affect the park?
 - b. How do we improve our community/zoo/parks/museum liaison role?
 - c. How do we solicit good ideas proactively prior to new “actions” from the zoo/parks/museum?
4. Update and questions for the board on local historic landmark designation. (Including plans for more parking in the park).
5. City Loop MOU
 - a. Current draft at Parks & Rec. (thoughts?)
6. Rick Acosta Fundraiser – Is CPA tentatively ok as being a financial intermediary for independent park projects fundraising, and under what terms?
